

Memories of the Heart...

When a loved one dies of dementia

Have you suffered the death of a loved one with a dementia-related illness and would benefit from sharing with others who have gone through a similar experience? Hospice of the Valley invites you to join our new grief support group, provided at no charge. A professional bereavement counselor will facilitate this in-person group. We will discuss coping with loss in a supportive and confidential environment. Topics may include:

- Understanding the grieving process.
- Adjusting to life without the physical presence of your loved one.
- Dealing with a variety of emotions.
- Reinvesting in meaningful activities and relationships.
- Honoring memories and taking next steps.

Now Virtual

1st and 3rd Tuesday of each month

10:30 a.m.–Noon

To register, and for Zoom link, please call
